

**TRANSITION UPDATE FROM OUR SR. WARDEN  
SALLY WILLIAMS (3.10.19):**

**My Brothers and Sisters in Christ,**

 **CLERGY SEARCH UPDATE:** I'm happy to announce that the conversations and meetings with both candidates are coming to a close, and the time for silent reflection and listening is near as we move forward in the discernment process. This is the time for praying, "Not my will, but thy will" as all involved in the search, including the candidates, seek to honor God's will for St. Mary's and discern the "best fit" candidate. The Vestry and Search Committee will be meeting on March 15th, and it is hoped that we will reach a consensus at that meeting as to which candidate will be offered the position as Rector, with God's help. Please continue praying for all involved in this process, and prayers of thanksgiving for Fr. Mark's and Mother LaRae's continued presence at St. Mary's. May we be given the grace to do God's will.

Blessings, **Sally Williams**, Sr. Warden
