

**MESSAGE FROM OUR SR. WARDEN
PAM FERGUSON (9.2.18):**

Thank you to all that are using the Suggestion Box to share your feedback, insight, etc. We appreciate hearing your voices!

Last week there was one suggestion in particular that is important to address. Many thanks to whomever submitted the suggestion which referenced our Focus Groups and how they may not be the preferred format for everyone to share their thoughts. And, this is a GREAT point!

Please know that we appreciate all that enjoy attending and participating in our Focus Groups. However, if you would prefer to submit your feedback separately and not attend a meeting, we welcome your responses! The questions are printed and available in the Parish Hall or available via email. Please feel free to complete the questions and send them back to us through the mail, place them in the Suggestion Box, give them to a Vestry Member or respond via email directly to me (tpferg76@outlook.com).

Also posted in the Parish Hall and available via email, is the **DRAFT** of the **PARISH PROFILE**. We are still “**tweaking**” this document and incorporating the feedback from our Focus Groups, etc. Input will be included up until the conclusion of our Focus Group on September 9th. After that date, we will be finalizing the document to be officially submitted to the Diocese by September 15th. Our clergy position will then be posted.

We are very blessed to have such a wonderful and caring parish community and thank you for your support throughout this process.

Blessings,
Pam Ferguson
